√ 25th september 1938.

To-day at 9. Sastri came here and asked me to come with him outside. But I being engaged in tution declined the offer and he went away. At 10 I started from this place and while going near the Fausdar Bazaar I met A. M. Krishna moorthy with whom I went up to the Exhibition grounds. There he met some body (perhaps some of his acquaint- and with them he went away without taking leave of me.. I traced my steps backwards, came to S. L. L's house and gave to Kaveramma Jayanti's September issue. Then I went to Sridhar's room where he was. He told me that he had g[illegible] S.S.L.C. IV Scholarship of (180 Rs to 22½ per month) and he had already got 45 Rupees.). I was glad to hear that his good fortune. At about 11.30. I came away from his room went to Visweswariah's hotel got my meal and came back to my room at about 12.

28th September 1938. Wednesday

This morning at 9, I went to Sastri's house and with him went up to the Dewan's market. While going I gave, the torn — or loosened "Personality" of R. Tagore, or given lev to Narasimal to get it bound the charges being settled to be 0-3-0. Mr. Sastri had a regd parcel to be registered, but the size of it (too little) made the seem impossible. Entering Indra Bhavan we spent -2-9 for (Idli, Uppittu, palya & coffee × 2). Coming back to Room at about 10·30 I had my meals at 11.

At 3. I set off from this place to Ramachandra Bhatta's ~~house~~ room. Though he was in his room, there were two others, and their presence made it impossible for him to get instructed. Remaining there up to 4·30 I went to the Union — where spent 0-1-9 for [illegible] in the Union Restaurant —. In the reading room I remained up to 5·30 reading Indian Express, Tamnadu etc.

Then I straightway came to the Institute, where I met Sastri too. There our instructor Venkatasubbiah being absent or not yet come once again I went with Sastri to Udipi Ananda Bhavan and had my coffee — coffee & ghee cake. Then we came to the Institute and the teacher (!) being present went through our usual course of exercise. At about 6·55 we finished our exercises, and I came to T.L.L's and he went to his

house, carrying his bicycle with him. In T. L. R's house, they were waiting for the arrival of Shemoga men who failed to come: So the supper was late, as late as 8.50. But I got on a jutka near the Square and came to my room just before the light was switched off at 9. I gave 5-0-6 to the "city": [illegible] man. Given to Mr Ramanna — 'Jayakarnataka'

29th September 1938 Thursday.

This morning at about 8.30 Sastri came here on no business. At 9 I started from this place — went to Sastri's found that he was not at home, went to Rajarajeswari, ate Vada & 'Dose' — drank coffee. (0-1-0) Then I went up to the market. I got the bound book 'Personality' from Manna and paid (0-3-0). Then I went to Sridhar's and got from him my '[illegible]', and remained there only for 5 minutes — went to the market, bought [illegible] (0-0-4) Then I came back at about 10.10. Near the market while going I met Sastri with somebody (an unfamiliar & uncouth figure) ———.

"At 12 or so, I went to Dr Kamath's as per P A Raj's desire and got inoculated (Plague)."

[illegible]

He has acted against my trust in him. That is exposed beforehand and he continues to be so. He could not oblige me by accompanying me during a walk. He had the audacity to challenge my goal of walking and take me to task for not mentioning my destination —— that too in a raised voice. But I forgot — tried to submerge all those feelings in a revived sense of friendship, but suddenly there came a break. — of course he has become a great man! (Ah, is it?)

Morning at 9.15 I started from this place, went over to Devaraj market. While coming back after coffee at Krishna bhawan. ([illegible] — 0-2-0) I met Mr. Subrahmanyam (son of the Librarian Narasimhia M.A. Ph.D.). who advised me not to reject the group. At 3.15 or so I started from home and went to Ramchandra Bhatta's and remained there up to 4.30. From thence I went to the Union. From there to Town hall where I met Papanna with whom I entered Udipi Anand Bhawan and spent 0-2-6 (Coffee & dose) ———— . went near the palace, and while coming I bought a picture ½ [illegible] for 0 ... coffee with R. Though decision is far [illegible] in my nature, determination is equally [illegible] —. Though thoughts are what is said the [illegible] in them are equally [illegible] Mine is too clumsy and unsteady — will power is [illegible] weak and [illegible] to that extent. I am sorry to state that I have become a slave of 'passions' and emotion, though I have often profess to be a man given to constant thinking — at least a rational being. To-day at 8. I started from my room and came to Sweet? house —. He being absent there I almost lost my balance and went to Ramchandra Bhatta and remained in his room upto 4 p.m. Thinking thing [illegible]

from him to be given to Srinivasa. I went to [illegible] room but there was none there — so went to the Conference just in time to hear Swami Baba's concluding address which was extremely beautiful — nothing could have been more inspiring, dignified, serious and enchanting.

Then I met [illegible] with whom I went to [illegible] Bhavan and had coffee in his [illegible]. With him I went to the Union — to the reading room and remained there up till 5.45 p.m. Then once again I came to Srinivasa's room, but the man was not there. So I went almost mad and like an intoxicated man I went to the New Opera House. To see Mazeed, paid [illegible] for the same. The picture touching ~~[illegible]~~, lovely and enchanting, glorious and respectable acting thrilling & romantic is a film worthy of the New Theatre. The film closed ~~at~~ exactly at 9 p.m. The only man here in the city had [illegible]. My God! My own home I bought plantains (2 for 3) and then

After that I saw that no money left with me except 4 pies.

Today I received a letter from [illegible] (my brother)

Starting from this place at 3.15 I went to [illegible] Bhatia & then to Sridhara. Starting from Sridhara's we went to the [illegible] [illegible] Afterwards I & he went to Bombay [illegible] Bhavan and had a cup of cold badam milk each. [illegible] went to [illegible] my mouth by [illegible]

I met A.M. Krishnamoorthy with whom [illegible] I went near to the College and then came [illegible]

22nd Nov. 1938, Tuesday

Today at 1 I went to Mr A.N. Subbarao according to Mr [illegible] Rao's [illegible] I went to Rajarajeswari and [illegible] 1-0 for [illegible] coffee. Then I went to the place and returned in Motor.

At 12.40 or so I went to [illegible] [illegible] from him two works [illegible] & Banking & Currency", ~~then I purchased~~ the Landmarks on English Economic History. Before went to the College to get an application form, but the Head Clerk being absent I could not get the same.

I started from my room at 3.50 and went to the Fort Post office and sent a letter to L. N. Bhalla. Then I went to R. [illegible] Bhatia, but he was absent, so I went to Venkatesh room and [illegible] for Sridhara up to 5 P.M. Then I started from that place [illegible] the way met Sridhara. I started from there place at about 2.15 and came to [illegible] and then with him to 'Abhay ini' [illegible] [illegible] Acharwar, Prithviraj, Mohini, Maneka etc. The picture is not in keeping with the high standard of art as achieved in Mukti, President etc. But it is not bad. Worth seeing. Prithviraj acted well; but not to his full capacity. It is impossible to think that he could have acted better. Mohini cannot be considered to have [illegible] in the balance. Maneka, the [illegible] star of the N. Theatres ~~have~~ is given little scope for ~~hand~~ the exhibition of her talents.

At 5.45 the play closed and we two went [illegible]

New Year Sunday Begins today

This day is of supreme inactivity due to [illegible] ? Should [illegible] that's what! But anyhow this day is not to herald in a year of supreme inactivity, and unsupported glory —. But yet I should not lose heart, or why should I lose heart at all? Let me hope for the best results; let me be true to my own self — the rest I am not responsible for. Well! to record the happenings and impressions of that day!

This morning at 9-30 I left this place and went to the Union and read Sunday Times, Tainadu, ... Karnataka (weekly & daily), Bombay chronicle etc. I was there up till 11.15 and then went Visvan... ... hotel and had my meal and came home at about 12.15.

Afternoon at about 3. Sastri came here and with him I got out. Before that Mr. ... paid me two rupees (tuition fees — So I owe him now 5 — 2 = 3 Rupees only).

We had coffee etc at ... Then we went to Sitharam's room and there was Mr C. B. Sitaram.

We started from that place ... went to Krishnabhavan and had ... of ... each. Then we went on a walk to ...

I ! It is very difficult for me to ... ... there — ... He is ...

Conscience of his individuality as I am. He is also often more blunt than ~~as~~ I am. He is more bent upon raving ~~and~~ than I perhaps am. With such a person I could not be on the most intimate terms. He could not bear with me if I got a little astray in conversation. He has dug from his memory the word "conviction" which perhaps I might have used some years ago — just to taunt me or to pay me in my own coin! (Look at the words). Therefore I must be on my guard. If he has helped me this year —— that is not a great thing —— I would have done more! —— . . . That a love cannot be illustrative of the superior friendship. I want ~~[illegible]~~ not only ~~[illegible]~~ love from a friend but also regard —— when the other is absent I cannot find any comfort. If ~~[illegible]~~ one has no respect and admiration for my parts —————— I cannot think he [illegible] one with me. ——→ Yes! The case then that I should [illegible] is that I must be independent —— must be invincible [illegible]

[illegible] Reading Room [illegible] Modern Review [illegible]. The notes of Mr Ramananda Chatarji on different subjects are worth reading. The critical ability, political insight and gracefulness of style are of a high order. A sick and seasoned editor like Sj Ramanand Chatarji who ~~are~~ is inspired by the noblest sentiments and ~~are~~ is the most nationalist of the nationalists ~~[illegible]~~ does justice to his position as an Editor. His views are impartial, original and sincere. That is why we like him so much — and his writings are so attractive. In particular in this issue his notes on Federation is a masterpiece and the admirable way in which he vindicates the position of the Hindu Mahasabha raises the same in the opinion of the readers. He shows how national and democratic are the proceedings of the Sabha and ask the people to judge its constitution as it is and not as represented by some of its members [illegible]

Then while coming I met Sridhar, with a bundle of meals in his hand. I was informed by him of the departure of Mr [illegible] to Bangalore by the [illegible] train. We came thro' the city bus.

Then to his room where I remained up to [illegible] and then home.

After noon at ~~3.30~~ 4 [illegible] on this [illegible] went to Krishna Bhavan and had coffee + cake [illegible] 0-1-0 [illegible] [illegible] 0-7-6.
